July 13, 2021

Dear Parents and Students,

Summer greetings from the SPEMA family! I hope this letter finds you resting and gearing up for another exciting school year ahead. We know this past year presented extraordinary challenges, but we are looking forward to partnering with you as we continue *engineering excellence*. The faculty and staff are busy preparing the school and classrooms for an exciting year for learning and growth. Whether you are a new or returning student, allow me to welcome you to the start of the 2021-2022 school year.

We would like to provide two important dates as you prepare for the beginning of the school year:

- **Parent/Student Orientation- Friday, August 6, 2021**
 - 6th graders-8:30am-9:30am
 - 7th graders-10:30am-11:30am
 - 8th graders- 1:00pm-2:00pm
- **First Day of School- Wednesday, August 11, 2021**

We are requesting all parents and students to attend the Parent & Student Orientation meeting located in our gymnasium. You will receive tentative class schedules, meet new and returning staff, and receive information about the upcoming school year (see attached flyer). Registration fees are \$55 and can be paid online beginning August 1. The fee includes student ID, technology fee, science lab fee, website maintenance fee, supplemental security, materials, etc.

Student success is the goal of every staff member at SPEMA. We believe that with our dedication to high quality, research-based best practices, every student will learn to their fullest potential. We are prepared to offer time and support to students as needed.

In closing, thank you for entrusting SPEMA in providing your child with a dynamic and robust educational experience. For your convenience, the school supply list and the uniform policy are attached for the upcoming year. It is with the utmost confidence that we will have another positive and enriching school year. If you have any questions or concerns, please contact us at (225) 775-0776.

Note: The 2021-2022 school supply list is included. However, additional materials may be requested by a teacher.

Educationally yours,

Aaron Sinclair
Principal
