

Scotlandville Pre-Engineering Magnet Academy

February 5 – 9, 2024

We recently received notification from Magnet Schools of America that **Scotlandville Pre-Engineering Academy** has been named a 2024 School of Distinction. We have received this award for five consecutive years. Congratulations to our students and staff for their dedication and hard work. It is because of their effort each and every day that we are able to maintain a standard of excellence.

Congratulations to all of the students who were honored on Tuesday, January 30th at our Awards Program. It is exciting to celebrate our students and their accomplishments. We encourage them to continue to engage in their classes and do their best each day.

Thank you parents/guardians for your continued support. You are an integral part of your child's successful educational journey. We appreciate you and invite you to visit the school or contact us with any concerns. **#Stallion Pride**

Vision

To integrate a rigorous 21st Century learning environment that will produce global learners, independent thinkers and future leaders in **Science, Technology, Engineering, Arts and Math.**

Virtual Learning Guidance – Friday, Feb. 9th

Post assignments in Google Classroom. Assignments should be based on previously learned concepts. Do not include assignments based on concepts that have not been previously shared. You must follow the District Grading Policy.

Parents will receive a notification from the school reminding them it is a virtual day. Please send an additional notification via Remind or Google Classroom.

Forward an email to me indicating you have posted the assignment(s) by noon Thursday, February 8th.

LEAP 2024 Target

Our 2023 School Performance Score improved by 5.9 points. To achieve our target, we need to improve 9 points. Nothing is impossible...we WILL do it!!

Glow and Grow Day – March 1st

Parents/Guardians are invited to visit our school between the hours of 11 am and 1 pm to shop with their children during the Scholastic Book Fair. Staff members will be available to talk about grades, state testing, high school selection and many more available resources to help our students have a successful semester. Wear brightly colored attire to help us GLOW \$ GROW!!!

Congratulations!!

Kaiden Kimbley won 2nd place in the District Social Studies Fair. He will represent SPEMA and the District in the Regional Social Studies Fair on March 16th.
