

K-12 Testing Program

By Orion Laboratories

Email to register students for testing

What: Register students for testing email

From: School principal

To: Parents and guardians of minor participants

When: 3-5 days before testing starts

Subject:

Register your child for our COVID-19 testing program today

Hello *SPEMA Parents*,

Our *SPEMA* Testing Program begins *Wednesday, August 25*. In order for your child to participate in testing, you'll need to register them for the program.

Click <https://home.color.com/covid/sign-up/start?partner=ldh-sco-299-students> to register your child for the program.

A parent or guardian must register any minor under 18 years old. You'll give a one-time consent and HIPAA authorization to share their results with the school and district. Testing is not required, but highly encouraged to keep our school community safe.

We'll test *in our Home Economics classroom* on *Wednesdays from 8:30-9:30*. Results will be delivered to you by text or email within 24 hours and we will follow-up with you directly if your child has a positive result.

If you have any questions or concerns, please reach out to *225-910-8308* or visit the website at www.k12testing.com.

Thank you for your participation to keep our *SPEMA* community safe and healthy.

Sincerely,

Aaron Sinclair, Ed.D.

Principal
