

EAST BATON ROUGE PARISH SCHOOL SYSTEM

TRANSPORTATION DEPARTMENT
6013 Choctaw, Baton Rouge, LA 70805
225-226-3784

The East Baton Rouge Parish School System Transportation Department is employing a new transportation Opt-In program for the 2022-2023 school year. The opt-in program is designed for families of school-aged children who plan to take the school bus to get to or from school.

By participating in this survey, the District will know how many students need transportation to and from school. It also helps the District maximize assets by optimizing travel time for bus routes, identifying appropriate bus stops, and allowing for more consistent and efficient transportation services.

Families who choose not to complete the survey will be responsible for transporting their students to and from school. The District understands unforeseen situations may occur, and your child may require transportation. You may Opt-In at any time with the link provided below, and a bus route and stop will be assigned to your child(ren). Please note that if you Opt-In after April 15, 2022 there may be a short delay to process your change.

As stated in district policy and BESE Bulletin 119, students living within one mile of the school may be allowed to ride a school bus when the School Board determines that conditions exist to warrant such transportation.

If you choose not to Opt-In for bus services, it will not impact your child(ren)'s ability to ride District-provided transportation to attend field trips, athletics events, emergency evacuations, etc.

If you have any questions or concerns related to this process, you may reach us at Transportationconcerns@ebrschools.org.
